

Are Your Dollars Workers or Loafers

Dollars Are Like Men

Some men WORK and accumulate riches. Some LAY BY and don't accomplish anything. Dollars that are not working for you are loafers.

If you want Dollars to make Dollars for you, put them to work where they can earn 8% INTEREST.

Money in the bank earns 3 or 4 per cent

No one ever got rich out of bank interest or savings. But money invested in an enterprise which has all the materials for success will earn you BIG RETURNS.

Six elements essential to success in any enterprise:

- 1st. An Article of Merit.
- 2nd. A Plant well equipped for the economical manufacture of same.
- 3rd. Competent men skilled in modern methods of manufacture.
- 4th. Honest, efficient management.
- 5th. A market for the product.
- 6th. Sufficient Capital.

You will find in the Macon Motor Car Company enterprise five of the above essentials:

1st. The Macon Car is article of Merit.

The plant at Macon, Mo., consisting of 4 buildings in which there is \$100,000 square feet of floor space—equipped with modern appliances for assembling automobiles.

2d. The Macon Motor Car Company have competent department managers such as Production Manager, Purchasing agent, Accounting foreman, Auditor and expert cost accountant, Engineers, planning experts whose training was acquired in the best auto factories in Michigan.

3rd. The officers are men of unquestioned talents who have the confidence of everyone in Macon.

4th. The demand for cars of the Macon type is great in advance of the supplies of dealers of the Macon Motor Car Company are stockholders.

5th. We need more capital to make BIG RETURNS.

The men who bought automotive stock when the present day companies were small are now **PROSPEROUSLY WEALTHY. NOT JUST FOOL**.

Here's an opportunity for your money--

You will never get rich waiting for wealth. You must do something. A small investment in Macon Motor Car Stock may make you wealthy. Send in your application today.
